## NEWS

Were honored to be invited to a Nepali grad party (front, blue). There were about 4x as many people... come...eat...leave.  
= New relationships!

(L) SurpriseBox has begun for the summer in place of Storytime. With SB, we are able to get into homes, give kids more personal attention, and “meet” more of the parents. (R) Meet 11 year old, giggly Shikha (Nepal); attended church with us yesterday.

## OUR UPCOMING SCHEDULE...

## PRAYER MATTERS

**FOR GOD TO BLESS** at the several Bible Schools, staffed by visiting teams, scheduled in local churches, for the next several weeks.

**FOR GOD TO MAKE CLEAR** in which/how many homes we should initially seek to establish a regular “Jesus-time” house church.

**PRAY THAT SHIKHA** will go on with the Lord and that we can strengthen our relationship with her family.

**THANKS TO GOD** for the building permit for our Ministry Center/After-School Care building.  
Construction may begin this week!

**THANKS TO GOD** for the completion of the bunk-house (formerly our garage) for team use.

**THANKS TO GOD** for the donation of a 15-passenger van, which we can now utilize to take kids to church.

## PARTNER FINANCIALLY...

**ONLINE** - (Preferred and easiest way) Navigate to [www.cmalliance.org/give](http://www.cmalliance.org/give). Scroll down to International Workers. Indicate the amount of your contribution in the first field. In “Search” field, enter GROS, after which a drop-down menu will open. Click on the red “support” button under our names. Follow the remaining instructions to set up account (if desired), determine the date of monthly contribution, or to link your contribution to the GCF giving of your Alliance church.

**CHURCH CHECK** – On your missions giving check to your church, simply write “Envision-Grossoehme” on the memo line.

We are considered International Workers with The C&MA. However, unlike overseas International Workers, we only receive what is designated to us by name. Thank you for your generous financial partnership!
