

# ENVISION ATLANTA

Mark & Cheryl Grossoehme

October 23, 2018

Looking to start Jesus-times (general, evangelistic) in the homes of Aoure (L-Central Africa Republic) and of Alisiba (R-Nepal). (See prayer request.)

Greater Faith Vision (eye doctor ministry) saw hundreds of refugees, giving free eye exams and free glasses, as necessary. The glasses are arriving this week and will be delivered to the patients.

Progress being made on apartment at Parc 1000. Hope to soon have Student-Assist, Jesus-time and ESL classes there.

## PRAISE & PRAYER MATTERS

**PRAISE:** Great time with Huntingdon and Williamsburg (PA) Alliance churches for their missionary conferences last week. Also spoke at district Great Commission Women (included men) Rally. Arrived home safely Monday night (both of us with colds).

**PRAY:** That parents will welcome weekly Jesus-time meetings in their homes and that the Spirit will work in the hearts of kids and grown-ups.

**PRAY:** That with the distribution of glasses, the love of Jesus will be noted and that the Spirit will have opportunity to draw people to the Lord

Pray that Isheka's (2<sup>nd</sup> grader that participates in our activities, but not Jesus) heart will be touched and that she will be willing to hear about Jesus.

**PRAY:** For our "Family Party" at English Oaks for parents and kids provide an opportunity for those to spend time together having fun – October 27.

**PRAY:** For speedy progress on English Oaks basement, which we will use for After-School Care, ministry center, etc.

**PRAY:** For funding that we will need to accomplish these projects (see below).

**UPDATE ON FUNDING PROJECTS: Kids' Min Van – Have received \$950 toward the \$2,000 goal.** Make checks out to "Envision Atlanta." On memo line write, "Kid's Min van & Parc 1000 projects." Mail to Mark (address below), and I will get them into the proper funds.

### PARTNER FINANCIALLY...

**ONLINE - (Preferred and easiest way)** Navigate to [www.cmalliance.org/give](http://www.cmalliance.org/give). Scroll down to International Workers. Indicate the amount of your contribution in the first field. In "Search" field, enter GROS, after which a drop-down menu will open. Click on the red "support" button under our names. Follow the remaining instructions to set up account (if desired), determine the date of monthly contribution, or to link your contribution to the GCF giving of your Alliance church.

**CHURCH CHECK –** On your missions giving check to your church, simply write "Envision-Grossoehme" on the memo line. Unlike overseas International Workers, we only receive what is designated to us by name. Thank you for your generous financial partnership!
