

# ENVISION ATLANTA

MARK & CHERYL GROSSOEHME

December 3, 2018

**Thank you** for both your prayer and financial partnership with us this past year. Praise God for what he has done as a result! ...

Several weekly or daily summer Bible schools were held in various locations. In all, 52 kids prayed to receive Jesus this year (with several more yet on the radar). Please continue praying for them.

Jesus-time D(iscipleship) meets each Sunday evening at English Oaks. Pray for regulars Shikha, Ireine, and Sophia. Pray also for Pasang, who due to her lack of focus, has dropped out; and for Yohannis, who dropped out due to peer pressure from other boys. Sophia and Yohannis are moving to Texas this month. Anna is planning to return to join Envision and the kids' ministry team next summer.

We have two Jesus-time G(eneral) groups in homes. The first each Sunday night at Aoure & Princesse's (L); and at Alisiba's (below-L) each Wednesday evening. All three girls have prayed to receive Jesus.

*PTL, there's too much to tell!*

We are also grateful for our "Kids' Cart" ministry van (L). The kids love it!
