OTHER

1. Continue to pray for ISHlka – 8-year old, 2nd grader; neither she nor her mother or sisters know the Lord; also for her cousin (male) Juyal (JOY-L). Both have come to church with us since April 7.
2. Presented the Kids'/Family Initiative of Envision Atlanta to a local Alliance church, Sunday May 5. Had 4 kids with us to help in the presentation. They acted a bit shy but did a fine job. They were given the task of passing out the bulletins as people entered the sanctuary and picking up used communion cups after the service. Stopped at one of their favorites for lunch on the way home – Cook Out, a (Christian-owned) fast-food place that features 40 flavors of milkshakes.
