

ENVISION ATLANTA

Mark & Cheryl Grosseohme

August 05, 2018

NEWS

(L) Shikha (11-6th grade, Nepali) is the first of our Jesus-time (discipleship) kids to earn her own hard-cover Bible. We celebrated with her favorite meal – pepperoni pizza, and brownies (which she helped make at our place (mix from Mahaffey grove). (R) Ireine (8-3rd grade, D.R. Congo) is expected to earn hers next week, along with Sohpia (not pictured, 8-3rd grade?, African).

Also gave out bookbags & school supplies today. This Iraqi (Muslim) family has been very friendly with us. (One child missing from picture. We are told they are moving from English Oaks.

PRAISE & PRAYER MATTERS

PRAISE: God answered prayer and we were able to talk with Sandhaya (8-3rd grade, Nepali) to confirm that she had prayed for salvation.

PRAISE: Dozens of kids responded to the salvation invitation at Mahaffey Camp kids' services, as well as dozens who responded to the call to serve. Please **PRAY** for all. They may not be church-ed, come from Christian homes, or their parents simply do not care. **PRAY** that kids will make their commitments known publicly.

PRAY: it would be helpful if God would provide one good 12 or 15 passenger van that we could use exclusively for the kids' ministry. Also, it would be helpful if we could get Cheryl's support from part-time to full-time. We currently have no health insurance.

PARTNER FINANCIALLY...

ONLINE - (Preferred and easiest way) Navigate to www.cmalliance.org/give. Scroll down to International Workers. Indicate the amount of your contribution in the first field. In "Search" field, enter GROS, after which a drop-down menu will open. Click on the red "support" button under our names. Follow the remaining instructions to set up account (if desired), determine the date of monthly contribution, or to link your contribution to the GCF giving of your Alliance church.

CHURCH CHECK – On your missions giving check to your church, simply write "Envision-Grosseohme" on the memo line.

We are considered International Workers with The C&MA. However, unlike overseas International Workers, we only receive what is designated to us by name. Thank you for your generous financial partnership!

Your Missionaries to "the nations" in Clarkston, GA,
