February 7, 2019

(Above L) PRAYING FOR US, let me encourage you to download "Prayer Shield," a free app from the Playstore. For 40 days, it gives you *brief scripturally-based topics* that you can pray on behalf of your "sent ones." (It also provides theme-related Christian songs.)

(Left) Took (8-yr old, 2nd grader) Ishika to the DaddyDaughterDateNight at Chick Fil A this past Saturday. She was very reserved at first. Over time, she lightened up. We went to our house to play games after the meal, where she was definitely her usual self! When we went to the car to take her home she asked, "Are you going to take other girls, one by one, to this next year?" I responded, "As long as you want to be my daughter, I'll take you. Do you want to be my daughter?" She said, "Yes." Pray for Ishika and family. They don't know Jesus.

(Immediate R) Our first crop of (6) 1-3 graders at Parc 1000 School-Assist, meeting Tuesdays and Thursdays. (Far R) Our first crop of (13) 4-5 graders at Parc 1000 School-Assist, meeting Wednesdays and Fridays.

PLEASE PRAY FOR CHERYL, who needs hernia repair surgery. Her appointment with the surgeon isn't until February 19. She is in much discomfort and would like to see the surgeon sooner and get the surgery scheduled. (We are on Samaritan Ministries, but do not have true health insurance).
