**READING CAMP** for grades 1-3 was offered at both Parc 1000 and English Oaks during the week of spring break (no public school for kids). Teams from the Neshannock Alliance Church (Western PA) and Cheyenne Alliance Church (Wyoming) participated.

**(Left) SO, THE FIRST WARM DAY IN APRIL** we took 8 Storytime kids on a hike on the bike path. Pasang, walking with Ms. Cheryl said, "Everyone's looking at us. They think you have a lot of kids...all different colors." Ishika, walking with Mr. Mark asked, "What if I have to go to the bathroom?" He replied, "I have no idea!"

**(Right) CAREER DAY AT STONEVIEW ELEMENTARY** – This year we took 6<sup>th</sup> grader Shikha Rai (R). She spoke of her participation with EA: "Jesus-time and fun hanging out." (School "ambassador on left.)

**PRAYER**

1. Continue to pray for Aoure (pronounced "R-E") – a recent 4<sup>th</sup> grade Christ-follower; that she will be willing to allow the Holy Spirit to bring her behavior into Christlikeness.
2. Continue to pray for ISHlka – 8-year old, 2<sup>nd</sup> grader; neither she nor her mother or sisters know the Lord; also for her cousin (male) Juyal. Both are coming to church with us two Sundays in a row. Pray that they will respond to the cross/resurrection truth.
3. Cheryl's surgery went well, but very painful afterwards. Completed her two-week recuperation time, pray that she might heal completely without complications. (Yes, we got a bill from the robot.)
