... The Driver's Seat ...
Ephesians 4:17-21

The hot topic in the automotive world is self-driving cars. I have gone on record suggesting what fun is that! However, I know that this driver issue is one of fierce debate. In life there are things that drive people: fame, fortune, power, popularity, possessions, pleasure, approval, applause, addictions (drugs, alcohol, sex, gambling), parents, employers, spouses, teachers. Peers, guilt, revenge. Let me suggest four things that should drive the Christian Life in positive God-pleasing ways.

1. God's Glory...

John 17:20-23

2. God's Love...

- Salvation
- To God
- To others

3. Personal holiness...

- Produced by being Born Again
- Produced by being indwelt by Holy Spirit

4. Personal responsibility
