... The Disgrace Of Vain Grace ...  
2 Corinthians 6:1-10

We talk about Grace a lot. Especially in the Church. With many Spiritual truths there are also counterfeits. Vain Grace is a type of so called grace that doesn't change anything. Paul's address to the Corinthian Church instructs the Spirit filled Christian about the remedy for Vain Grace.

1. We only have **now**... v.1-2  
Yesterday is history and cannot be relived  
Tomorrow offers no guarantee  
Today is our only field of action
  
2. The things that happen **to** us... v. 4-5  
In much patience                      In imprisonments  
In tribulations                         In tumults  
In needs                                    In labors  
In distresses                             In sleeplessness  
In stripes                                 In fastings
  
3. The Things that happen **in** us... v. 6-8  
By purity                                  By the Holy Spirit  
By knowledge                            By sincere love  
By longsuffering                        By the Word of Truth  
By kindness                              By the power of God  
By the armor of righteousness
  
4. The release to live in Spirit-filled **abandon**... v.8-10  
As deceivers... yet true  
As unknown.... yet well known  
As dying... yet alive  
As chastened... yet not killed  
As sorrowful... yet always rejoicing  
As poor... yet making many rich  
As having nothing... yet possessing all things
