## ADDITIONAL TIPS THAT MAY HELP:

- Keep in mind the size of a shoebox when purchasing items. (11.5 x 6 inches)
- Remove packaging from your items to allow for more room in the shoebox and they don't have as much trash to throw away.
- Don't send anything that has directions/writing in English (i.e. toys with instructions, games that require kids to read English.) Since these boxes go to non-English speaking countries, it's worth only including things that are understood internationally.

## Do Not Include

DO NOT INCLUDE: Candy; toothpaste; gum; used or damaged items; war-related items such as toy guns, knives or military figures; chocolate or food; fruit rolls or other fruit snacks; drink mixes (powdered or liquid); liquids or lotions; medications or vitamins; breakable items such as snow globes or glass containers; aerosol cans; bar soap
